

# ***Southeast community college***

**Jack J. Huck Continuing Education Center**

**301 S. 68<sup>th</sup> St. Place**

**Lincoln, NE 68510**

## **EMS Instructor Course**

*The 48 hour EMS Instructor Course is designed to provide students who are clinically competent in a specific content area with the instructional skills to deliver training effectively. It focuses on instructional preparation, presentation, and evaluation. Upon completion of the course, the student should be able to teach any of the curriculum packages in which they are clinically competent. To become a Nebraska State-certified EMS Instructor, the student must have a valid EMT certificate or higher for a minimum of three (3) years and possess an American Heart Association BLS or ACLS Instructor Certification at the time of licensure application.*

***Class size is limited!***
